Subject: February 5th -Lomita & McCoy

Good Morning Everyone,

I wanted to let everyone know that we are having a clean up on February 5th on Lomita and McCoy. This clean up will take the full 8 hrs so this will be the only clean up that day. It was originally scheduled for Feb. 21st however we had a conflict with this day. Any other questions please let me know.
Thank you!

Best,

Caitlin Muldoon | Constituent Services Deputy

Councilman Joe Buscaino

Council District 15 | City of Los Angeles | 310.732.4515 <tel:(310)%20732-4515>
